MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM:

Director of Central Intelligence

SUBJECT:

Call from Senator Schmitt

Senator Jack Schmitt called and asked us to look into the degree to which the new classification order is having the effect of unduly limiting the availability of intelligence essential to the work of the weapons laboratories and other scientific and development centers. Would you get someone to look into this and prepare a response for Senator Schmitt.

William J. Casey

Downgraded to Uncl per ES / 26 Jul 82 Dir, OIS Notified
